

Pearson BTEC Level 3 National Extended Diploma in Children's Play Learning and Development

I am looking forward to meeting you in September and cannot wait to show you our college.

Topics that might be of interest before joining us 😊

- The areas of development – physical, cognitive, language, literacy, emotional and social.
- The role of speech, communication, and language in children's development – verbal and non-verbal communication, pre-linguistic and linguistic stages of communication and any factors that may affect a child's communication and language skills.
- Health and safety in early years, procedures for prevention and control of infection in early years, safeguarding children and risk assessing environments for children.
