

## Callywith College Student Bursary Portal

Bursary applications for 2025/26 are open from **Thursday 1<sup>st</sup> May 2025**. Existing students and September 2025 applicants who wish to apply for a subsidised bus pass, possible further financial support and/or a daily meal allowance, can submit a bursary application via the [Student Bursary Portal](#).

### Who is eligible?

If your net household income is less than £50,000, you could be eligible for a bursary (for academic year Sep 2025 / Aug 2026). For information regarding 2024-25 bursaries, please click [here](#).

Register on the Student Bursary Portal and submit a bursary application following the steps below.

### Who can apply?

Students can apply for themselves. To complete the application you will need to upload income evidence for **all** members of your household, except siblings. Your parent/guardian can apply on your behalf.

### How do I apply?

Go to: <https://callywith.paymystudent.com/portal/>

If you are an **existing student** applying for bursary support **between now and the end of term (July 2025)** please contact our Bursary team on [bursary@callywith.ac.uk](mailto:bursary@callywith.ac.uk).

If you are an existing student or September 2025 applicant applying for support from September 2025, please follow the instructions below to submit your application through the Student Bursary Portal.

### 1. Registering and activating your account:

Register with your student number, date of birth, and then create and confirm your password. You can find your student number on the [Applications Portal](#).

An activation email will be sent to your personal email address and the email address for the first next of kin from your college application. If you are a September 2025 applicant and one or both of these email addresses are incorrect, please contact [admissions@callywith.ac.uk](mailto:admissions@callywith.ac.uk) to get this information updated.

Click the activation link in the email. The email should come from: [paymystudent@callywith.ac.uk](mailto:paymystudent@callywith.ac.uk)

#### Register

If you are currently studying at the College or have applied to join in September 2025, please use this form to register for a bursary portal account. This will send a link to the personal email address we have on file for you (the student). If you are a student joining the college in September 2025, this will be the email address you originally used to apply for college. Please note, this may have been your next of kin's email.

When your account is activated, you will be able to login to your account and complete a bursary application.

Your student ID number can be found on the [Applications Portal](#). Please enter just the number from your ID, not the initials, e.g. 123456

If you receive an error message reading **Student details not valid** this means it does not recognise the combination of student ID number and date of birth. Please check that you have entered both correctly. If it still does not recognise these details, it is possible that we have something different on our system from your original application. Please get in touch with the Admissions team who can check this for you.

Student Number:

Date of birth:

Password:

Confirm Password:

Register

## 2. Logging in:

When you have registered and activated your portal account, login using your student ID, date of birth and the password you created.

### Login

If you have already registered and activated your portal account, please enter your student number, date of birth and your password.

Your student ID number can be found on the [Applications Portal](#). Please enter just the number from your ID, not the initials, e.g. 123456

If you are unable to login, please first ensure you have registered for a Student Bursary Portal Account using the Registration Section on the left side of this page.

If you have already registered and need to reset your password, please use the [Forgotten your password?](#) option below.

If it still does not recognise your details, please double check you are entering the correct student ID number and correct date of birth.

Student Number:

Date of birth:
