In association with
Truro & Penwith College

find out
about life as a student
from the Principal
Talks at 11.15am & 12.45pm
Temple Lecture Theatre

Welcome

Welcome to the Callywith College Open Event. We are delighted to welcome you to look around our fantastic state-of-the-art facilities, meet our teaching staff and Student Ambassadors and experience first-hand our exciting new learning environment.

I am absolutely delighted to welcome you to our open event today. We are thrilled with the achievements of our very first students and we are so excited to give not only our existing students, but also those looking to come here in September 2019, the opportunities to fulfil their ambitions, make new friends and develop the skills needed for their next steps in life.

Callywith College has been developed in association with the Ofsted 'Outstanding' Truro and Penwith College and provides an excellent learning environment. As a specialist post-16 college, we are able to offer an extensive selection of course choices and a diverse range of wider opportunities including our academies programme. Not surprisingly, the College is attracting a great deal of interest from prospective students and our purpose for this event is to enable visitors to find out about the wide variety of opportunities we offer.

There is a lot to see and do at the Open Event so we recommend that you choose a selection of courses that you are interested in and head over to those locations for more details. You can visit all the open areas of the College site that are of particular interest to you and discuss with staff the nature of the study programmes on offer. Rooms will contain materials and equipment relating to the curriculum and you are welcome to view displays of student work, demonstrations and, in some cases, to use equipment yourself. Our staff will be delighted to meet you.

Applications are open for September 2019, so if you are excited about what we have on offer you can apply today. This programme contains a list of all subjects currently on offer and where you can find student support information. If you need any assistance at all, please ask a member of staff or Student Ambassador.

We hope you enjoy your visit to Callywith College.

Mark Wardle Principal

reception

Pick up an application form

You can pick up an application form from the College or download one from our website.
If you need any help completing your application speak to our helpful team.

Attend a short interview

Once you've applied we'll invite you in for a short interview to talk through your course choices and options. When everyone's happy you will get your course offer and entry requirements.

Get in touch

Call us to confirm your place or if you're not sure of your next move we can help. Talk to our friendly advisers who are here to help you work out the best path for you.

That's it

All that's left is to come along to your induction at the College in September.
We look forward to seeing you then.

Your notes

You can join an academy alongside your full-time programme of study. We have academies for rugby, football, netball, Duke of Edinburgh's Award, medics' and academic; each designed to help you excel. Ask any of our tutors to find out more about academies today.
