WELCOME

Welcome to the Callywith College Open Event. We are delighted to welcome you to look around our fantastic state-of-the-art facilities, meet our excellent teaching staff and Student Ambassadors and experience first-hand our exciting learning environment.

Callywith College opened in September 2017 when we welcomed our first cohort of students. Our students have achieved excellent results, participated in everything the College has to offer including a broad range of trips, visits and enrichment activities, and progressed onto an exciting range of destinations including the very best universities. We are so excited to give not only our existing students, but also those looking to come here in September 2020, the opportunities to fulfil their ambitions, make new friends and develop the skills needed for their next steps in life.

Callywith College was developed in association with the Ofsted 'Outstanding' Truro and Penwith College and provides a state-of-the-art learning environment. As a specialist post-16 college, we are able to offer an extensive selection of course choices and a diverse range of wider opportunities including our academies programme.

We are delighted to welcome you to our Open Event today. Our purpose for this event is to

enable visitors to find out about the wide variety of opportunities we offer. There is a lot to see and do at the Open Event, so we recommend that you choose a selection of courses that you are interested in and head over to those locations for more details. Our friendly team of tutors, staff and student ambassadors will be able to help you with any questions you may have. Rooms will contain materials and equipment relating to the curriculum and you are welcome to view displays of student work, demonstrations and, in some cases, to use equipment yourself.

Applications are open for September 2020, so if you are excited about what we have on offer, you can apply today. This programme contains a list of all subjects currently on offer and where you can find student support information. If you need any assistance at all, please ask a member of staff or Student Ambassador.

We hope you enjoy your visit to Callywith College.

WHERE WILL CALLYWITH TAKE YOU?

You can do anything and you can be anything as long as you believe in yourself and work hard.

ABBIE BROADHURST

"I suffer daily from dyslexia and dyspraxia. Every one of my tutors and lecturers offered me support beyond my timetabled lessons, organised extra learning support where it was needed and helped me believe in my ability to succeed."

Previous school:
Wadebridge School

Course studied: Health and Social Care Level 2 Diploma.

Extra activities: Duke of Edinburgh.

Progression route: Work within the care industry.

MICHAEL BARTON

"I started Callywith with a plan to study finance, but I never imagined this would be at a university in the USA! Through the Football Academy I found out that I could apply for a soccer scholarship in America and I'm really excited to fly out this summer!"

Previous School:
St Joseph's School

Courses studied: A Levels in Business, Geography and Economics.

Extra activities: Football Academy, Cornwall Schools Cross Country, Geography trips and Future Elite Sports.

Progression Route: West Virginia University, USA - Accountancy Degree/Soccer Scholarship.

SUMEYYE DELEN

"I like the support from the teachers and how friendly the staff are. I'm looking forward to going to university and I feel like my course here has really prepared me well."

Previous School:
Bodmin College

Course studied: Health and Social Care Level 3 Extended Diploma.

Extra activities: Student ambassador and work experience at Bodmin Hospital.

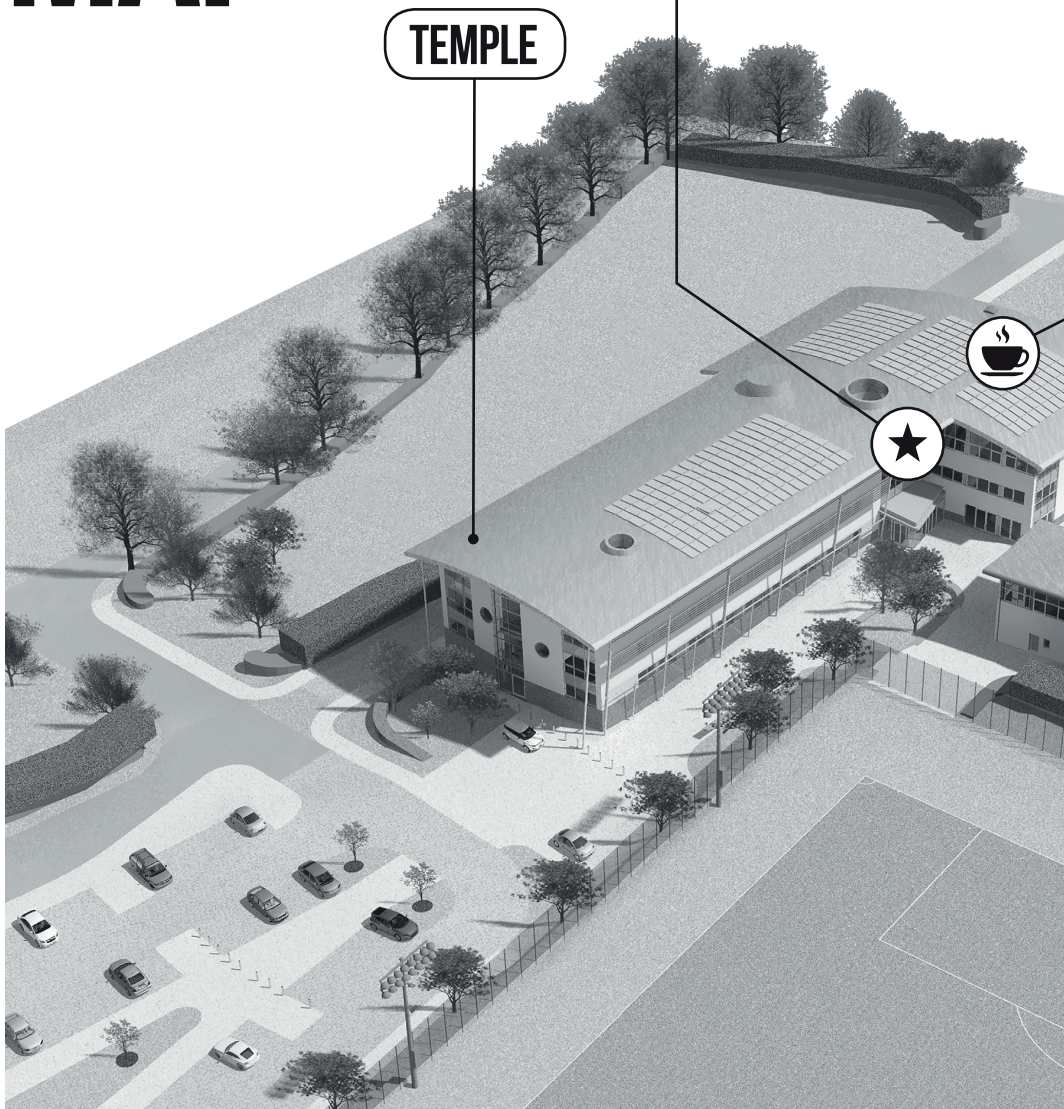

Progressions route: Canterbury Christ Church University - Operating Department Practice Degree.

WHAT NEXT?

APPLY NOW

Pick up an application form from **Temple reception**

FILL OUT AN APPLICATION FORM

You can pick up an application form from Temple reception or download one from our website at **callywith.ac.uk/how-to-apply**. If you need help with your application speak to our team.

ATTEND A SHORT INTERVIEW

Once you've applied we'll invite you in for a short interview to talk through your course choices and options. When everyone's happy you will get your course offer and entry requirements.

ACCEPT YOUR COURSE OFFER

You will be offered a conditional place at the College. You can accept this at your interview or let us know your decision by sending in an Acceptance Card.

LET US KNOW YOUR GCSE RESULTS

Call us with your GCSE results and to confirm your place or if you're not sure of your next move, talk to our friendly advisers who are here to help you work out the best path for you.

ATTEND YOUR INDUCTION AND START COLLEGE

That's it. All that's left is to come along to your induction at the College in September. We look forward to seeing you then.

DID YOU KNOW ?

You can join an academy alongside your full-time programme of study. Whether your interest is sporting, academic or artistic, we have programmes and support to help you excel. Ask any of our tutors to find out more about our academies today.

In addition to our academies, our Health, Wellbeing and Sport programme is also available to both staff and students and offers a range of recreational sports and physical activities to promote good health. Choose from a diverse timetable of free, drop-in sessions. Check out all the latest activities on the Health, Wellbeing and Sport Facebook page: facebook.com/HealthWellbeingAndSport
