## Level 3 Extended Diploma

# **Extended Diploma**

## **Course Details**

The University of the Arts London Awarding Body Level 3 Extended Diploma in Creative Practice: Art, Design and Communication | Photography, has been designed for those who want to study Photography full time, providing you with the skills, knowledge and understanding necessary to progress to degree level study in a range of study areas, into further education and training or into employment.

## **Study Time**

The course is delivered over 15 hours per week. There is an expectation that the same amount of time should be devoted to independent study outside of the classroom. There is also a one hour Tutorial slot. It may also be possible to study an additional A Level alongside this qualification.

## **Duration**

You will complete the University of the Arts London Awarding Body Level 3 Extended Diploma in Creative Practice: Art, Design and Communication | Photography, over a two year period.

## **Materials**

Camera equipment is available to loan from the department but many students opt to use their own; we recommend Canon models as they will then be compatible with the college inventory.

You will have to provide film and photographic paper together with any specialist materials you may wish to use.

## **Assessment**

The Level 3 Diploma in Creative Practice: Art, Design and Communication | Photography is made up of 3 mandatory units. The Level 3 Extended Diploma in Creative Practice: Art, Design and Communication | Photography is made up of 6 mandatory units.

Units 1 & 2 of the Level 3 Diploma will be internally assessed. Unit 3 will be externally moderated and graded Pass, Merit or Distinction; this determines the overall grade for the Diploma.

Units 4 & 5 of the Level 3 Extended Diploma will be internally assessed. Unit 6 will be externally moderated & graded Pass, Merit or Distinction. Performance in Unit 6 determines the overall grade for the Extended Diploma.

### **Y1**

Unit 1 - The Creative Process  
Unit 2 - Developing Creative Practice.  
Unit 3 - Responding to a set brief.

### **Y2**

Unit 4 - Researching a Specialist Industry Practice.  
Unit 5 - Specialist Technical Skills Development.  
Unit 6 - Specialist Creative Outcome.

# Progression

## **Studying photography at Callywith College will enable you to...**

Confidently use industry standard analogue and digital image making systems.

Experiment with mixed media, graphic design and moving image.

Develop your awareness of how and where these skills are used beyond college.

Research and criticise the work of a range of creative practitioners.

Engage with social and political discourse to form considered views.

Identify and explain the purpose behind your images.

Develop a professional working practice.

Work as part of a team to achieve specified outcomes.

Create a portfolio.

Write about photography and art.
