# RideTandem Rider App for Students (non-purchasing)

Callywith College has partnered with Stagecoach South West and RideTandem to provide student transport services and ticketing technology. This guide assumes a guardian has already created your account and purchased a pass for you.

Please download the RideTandem Rider app from the App Store or Google Play Store.
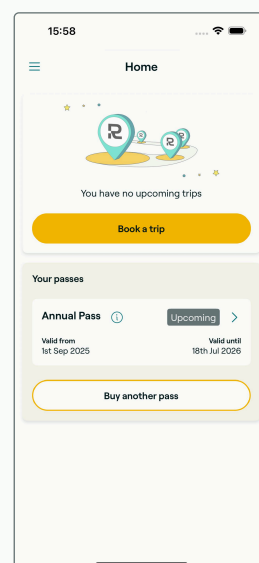

Log in to your account

Add your mobile number, you'll receive a verification code

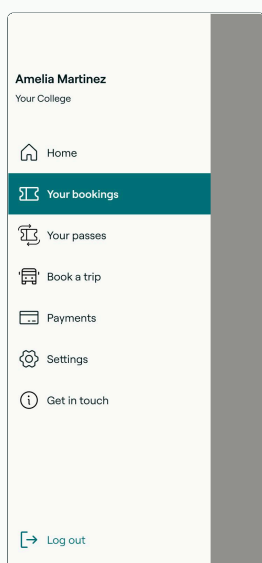

Tap in or paste the verification code

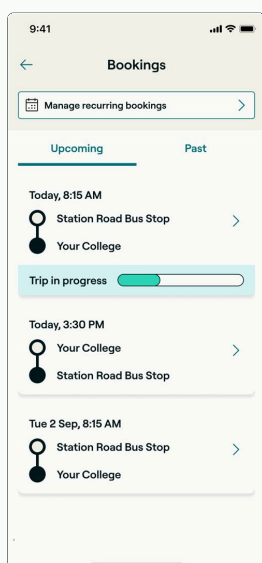

Please review and accept the terms

You'll be able to see your active pass(es) from the Home screen
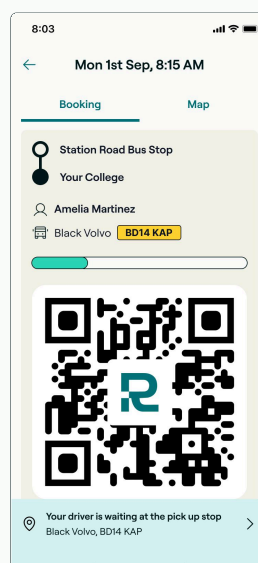

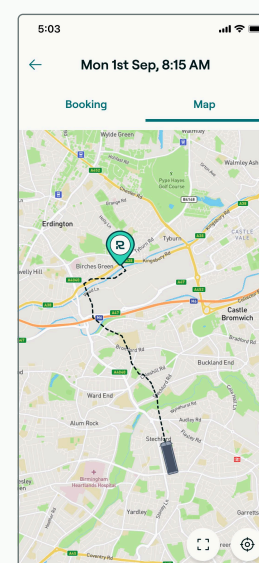

Track your bookings and use your pass

From 1 September, access your bookings via the Menu

Tap your Upcoming booking...

... to access your QR code for the driver to scan on boarding

You can track your assigned vehicle's progress from the Map
