

Performing and Production Arts

Thank you for showing an interest in the Full time Performing and Production Arts at Callywith College. The drama department shares ideas, auditions and live screening information via our drama page Callywith Drama on Facebook and our Instagram account. There is a video pinned to the top of the page that shows all the fabulous trips and student work we have created since opening in 2017. In addition to the Facebook page, we have compiled some information and tasks that can be completed over the summer holidays before embarking on your journey with us at Callywith.

1. Theatre Timeline

Research into the history of **theatre** and create a timeline of key styles and genres throughout history. It is up to you how you present this. You could create a PowerPoint/illustration/leaflet etc. Include specific key features of each style/genre.

You will need to start at Greek theatre and research right up to present day. Theatre movements you might want to consider would be such genres as Medieval Theatre, Elizabethan Theatre, Naturalism, Epic Theatre, etc.

This will be due in on your first lesson in September. Please write in your own words and do not copy and paste.

2. Read a play

Find and read a play of your choice. It needs to be written after 2010 and cannot be one that you read for GCSE. You will be talking about this play with the rest of the class in your first week at Callywith. Bring a copy of the play with you.

We are looking forward to welcoming you in person. Have a wonderful summer, stay safe and see you soon!
